

Photon Energy Group delivers solar energy and clean water solutions worldwide.

Working in the renewable energy arena for over 14 years, we continue to expand and are adding new business lines, markets and positions to our team.

We are a team of over 250 employees worldwide, spread across offices in Prague, Sydney, Warsaw, Budapest, Bucharest, Lodz, Amsterdam, etc. Not only do we believe in the potential of clean energy solutions, but we also live by these principles at work and in our employee community. As a public company, Photon Energy Group is transparent in its regular reports to the stock market and open to new suggestions from both employees and investors.

For more information, see photonenergy.com.

To strengthen our project development team, we are looking to fill the following position based in our Bucharest office:

Asset Manager, Romania

Photon Energy is looking for an **Asset Manager** for the Group's proprietary portfolio of PV power plants across Romania. The asset manager will work closely with the EPC and O&M teams within the Group as well as the Group's legal, finance and operations departments.

Key Responsibilities

- ▶ Responsibility for regulatory, legal and tax compliance
- ▶ Management of external reporting requirements to energy regulators, DSOs
- ▶ Management of relationships with project debt providers
- ▶ Takeover of new assets to the portfolio from the EPC contractor in coordination with the O&M provider
- ▶ Supervision of and coordination with the O&M and other service providers
- ▶ Economic-technical life-cycle management, including the development of strategies for major repairs, repowering and the value maximisation of land and other assets at the end of the technical life of PV plants
- ▶ Management of power plant contracts and documentation
- ▶ Management of insurance claims

Qualifications and Experience

- ▶ Experience in the PV or energy industry, or the management of a real asset portfolio
- ▶ The ability to absorb, process and integrate legal, technical and financial information
- ▶ Strong administrative diligence and commercial acumen

- ▶ A strong drive to maximise the performance and value of a growing asset portfolio
- ▶ Proficiency in English and Romanian language is a must
- ▶ Some travel required

Our Offer

- ▶ Opportunity to work in a fast-growing, international company, within the promising renewable energy sector
- ▶ Competitive remuneration, reflecting qualifications and experience
- ▶ Opportunities for both professional and personal development
- ▶ Company and team-building events
- ▶ Laptop and mobile phone

If you are interested in the position and fulfil the above requirements, please send your CV in English with recent photograph and a motivational letter to careers@photonenergy.com.
