

**Photon Energy Group** delivers solar energy and clean water solutions worldwide.

Working in the renewable energy arena for over 14 years, we continue to expand and are adding new business lines, markets and positions to our team.

We are a team of nearly 170 employees worldwide, spread across offices in Prague, Sydney, Warsaw, Budapest, Bucharest, Lodz, Amsterdam, etc. Not only do we believe in the potential of clean energy solutions, but we also live by these principles at work and in our employee community. As a public company, Photon Energy Group is transparent in its regular reports to the stock market and open to new suggestions from both employees and investors.

For more information, see [photonenergy.com](http://photonenergy.com).

To support our growing business, we need to strengthen our controlling team and we are looking for a

## Controlling Analyst

### What Your Role Will Be

- ▶ You will support business **planning**, annual **budgeting** and the quarterly **forecasting** of overall Group results on entity level
- ▶ You will be an important part of **monthly consolidated management accounts** preparation including reports and variance analysis for the management team
- ▶ You will create, manage and improve **project controlling** of newly built power plants during the development and construction phases
- ▶ You will provide analytical and professional **support** for informed management and business decisions
- ▶ You will have the opportunity to **improve current systems** and the freedom to design your own solutions for improving and streamlining controlling processes

### What You Will Need

- ▶ Economic education (university or high school) and/or at least one year of experience in accounting or controlling
- ▶ Enthusiasm for working with numbers, a proven ability to think logically and good common sense
- ▶ Excellent attention to detail
- ▶ Knowledge of how MS Excel functions work and the ability to make improvements
- ▶ The ability to communicate comfortably in English
- ▶ Experience in the renewable energy or construction industry is an advantage, but not a strict requirement.

## Our Offer

- ▶ Full-time position with the possibility of an immediate start
- ▶ Opportunity to work in a fast-growing, international renewable energy company
- ▶ Competitive remuneration, reflecting qualifications and experience
- ▶ 5 weeks of holidays per year
- ▶ Laptop and mobile phone
- ▶ MultiSport plan: contribution to sport, cultural and leisure activities
- ▶ Company shares, team building events, professional courses and training sessions, and other exciting benefits

If you are interested in the position and fulfil the above requirements, please send your CV in English or Czech with a recent photograph to [careers@photonenergy.com](mailto:careers@photonenergy.com).
