

Photon Energy Group delivers solar energy and clean water solutions worldwide.

Working in the renewable energy arena for over 14 years, we continue to expand and are adding new business lines, markets and positions to our team.

We are a team of nearly 170 employees worldwide, spread across offices in Prague, Sydney, Warsaw, Budapest, Bucharest, Lodz, Amsterdam, etc. Not only do we believe in the potential of clean energy solutions, but we also live by these principles at work and in our employee community. As a public company, Photon Energy Group is transparent in its regular reports to the stock market and open to new suggestions from both employees and investors.

For more information, see photonenergy.com.

To support our growing business and strengthen our **controlling team**, we are seeking to fill the following position:

Controlling Analyst

Key Responsibilities

- ▶ Supporting business **planning**, annual **budgeting**, and quarterly **forecasting**
- ▶ **Monthly consolidated management account** preparation, including report and variance analysis for the management team
- ▶ Creating, managing and improving the **project controlling** of newly built power plants during the development and construction phases
- ▶ Analytical and professional **support** for informed management and business decisions
- ▶ The opportunity to **improve current systems** and the freedom to design your own solutions for improving and streamlining controlling processes

Qualifications and Requirements

- ▶ Economic education (university or high school) or at least one year of experience in accounting or controlling
- ▶ Enthusiasm for working with numbers, logical and analytical thinking
- ▶ Attention to detail
- ▶ Knowledge of how MS Excel functions work and the ability to make improvements
- ▶ The ability to communicate comfortably in English
- ▶ Experience from renewable energy or construction industry would be a plus but is not necessary

Our Offer

- ▶ Full-time position with the possibility of an immediate start
- ▶ Opportunity to work in a fast-growing, international renewable energy company

- ▶ Competitive remuneration, reflecting qualifications and experience
- ▶ 5 weeks of holidays per year
- ▶ Laptop and mobile phone
- ▶ MultiSport plan: contribution to sport, cultural and leisure activities
- ▶ Meal card
- ▶ Company shares, team building events, professional courses and training sessions, as well as other exciting benefits
- ▶ Young and friendly team
- ▶ Modern office in Karlín, very close to the city centre with terraces and a relaxation area
- ▶ The opportunity to learn and grow professionally

If you are interested in the position and fulfil the above requirements, please send your CV in English or Czech with a recent photograph to careers@photonenergy.com.
