

Photon Energy Group delivers solar energy and clean water solutions worldwide.

Working in the renewable energy arena for over 14 years, we continue to expand and are adding new business lines, markets and positions to our team.

We are a team of nearly 200 employees worldwide, spread across offices in Prague, Sydney, Warsaw, Budapest, Bucharest, Lodz, Amsterdam, etc. Not only do we believe in the potential of clean energy solutions, but we also live by these principles at work and in our employee community. As a public company, Photon Energy Group is transparent in its regular reports to the stock market and open to new suggestions from both employees and investors.

For more information, see photonenergy.com.

To strengthen our operations and maintenance (O&M) team in Hungary, we are looking to fill the following position:

Photovoltaics Electrical Technician

Key Responsibilities

- ▶ Solving technical issues that appear in photovoltaic (PV) power plants
- ▶ Oversight of technical issues related to PV power plant maintenance and support in troubleshooting and the repair of technical faults
- ▶ Collaboration with technical manager and control operators to resolve allocated tasks
- ▶ Preparation of reports
- ▶ Provision of occasional emergency service during national holidays and weekends (per preliminary scheduling)
- ▶ Participating in occasional business trip throughout Hungary as necessary
- ▶ Supervising and providing support during the construction phase of Photon Energy's PV power plants in Hungary
- ▶ Cooperation with local service partners and subcontractors, manufacturers and distribution companies
- ▶ Participation in the internal provision of workplace health and safety practices
- ▶ Maintenance of quality and contractual compliance in the delivery of service reports to customers and clients

Requirements

- ▶ Electrician or electrotechnical experience
- ▶ 22kV substation switching authorisation (substation operator)
- ▶ Knowledge of Microsoft Office
- ▶ Driving license (B)
- ▶ Fluent Hungarian

- ▶ Communicative level of English (B1)
- ▶ Ability to work well independently, organisational skills
- ▶ Reliability and a willingness to be time-flexible
- ▶ Willingness to engage in continuous learning and development

Our Offer

- ▶ The opportunity to work in a fast-growing, international renewable energy company
- ▶ Competitive remuneration, reflecting qualifications and experience
- ▶ Company and team-building events
- ▶ Laptop and mobile phone
- ▶ Regular bonuses based on performance
- ▶ Training for photovoltaic plant maintenance and operation

If you are interested in the position and fulfil the above requirements, please send your CV in Hungarian and/or English with a recent photograph to careers@photonenergy.com.
