

**Photon Energy Group** delivers solar energy and clean water solutions worldwide.

Working in the renewable energy arena for over 14 years, we continue to expand and are adding new business lines, markets and positions to our team.

We are a team of nearly 200 employees worldwide, spread across offices in Prague, Sydney, Warsaw, Budapest, Bucharest, Lodz, Amsterdam, etc. Not only do we believe in the potential of clean energy solutions, but we also live by these principles at work and in our employee community. As a public company, Photon Energy Group is transparent in its regular reports to the stock market and open to new suggestions from both employees and investors.

For more information, see [photonenergy.com](https://photonenergy.com).

To strengthen our operations and maintenance (O&M) team in Romania, we are looking to fill the following position:

## Photovoltaics O&M Technician/Engineer

### Key Responsibilities

- ▶ Solving technical issues that appear in photovoltaic (PV) power plants in line with attributions
- ▶ Oversight of technical issues related to PV power plant maintenance and support in troubleshooting and the repair of technical faults
- ▶ Collaboration technical manager for the resolution of allocated tasks
- ▶ Preparation of work reports
- ▶ Cooperation with local service partners and subcontractors, manufacturers and distribution companies
- ▶ Participation in the internal provision of workplace health and safety practices
- ▶ Maintenance of quality and contractual compliance in the delivery of service reports to customers and clients

### Requirements

- ▶ Electrician or electronics experience (IIB authorisation ANRE is a plus)
- ▶ Knowledge of Microsoft Office
- ▶ Driving license (B)
- ▶ Fluent Romanian
- ▶ Communicative English (B1)
- ▶ Ability to work well independently and strong organisational skills
- ▶ Reliability and a willingness to be time-flexible
- ▶ Willingness to engage in continuous learning

## Our Offer

- ▶ The opportunity to work in a fast-growing, international renewable energy company
- ▶ Competitive remuneration, reflecting qualifications and experience
- ▶ Company and team-building events
- ▶ Laptop and mobile phone
- ▶ Contribution to educational courses and professional development activities
- ▶ Regular bonuses based on performance
- ▶ Training for photovoltaic plant maintenance and operation

If you are interested in the position and fulfil the above requirements, please send your CV in English with a recent photograph to [careers@photonenergy.com](mailto:careers@photonenergy.com).
