

Photon Energy Group delivers solar energy and clean water solutions worldwide.

Working in the renewable energy arena for over 14 years, we continue to expand and are adding new business lines, markets and positions to our team.

We are a team of nearly 200 employees worldwide, spread across offices in Prague, Sydney, Warsaw, Budapest, Bucharest, Lodz, Amsterdam, etc. Not only do we believe in the potential of clean energy solutions, but we also live by these principles at work and in our employee community. As a public company, Photon Energy Group is transparent in its regular reports to the stock market and open to new suggestions from both employees and investors.

For more information, see photonenergy.com.

To strengthen our finance team, we're looking to fill the following position based in our Prague office:

Risk Manager

Key Responsibilities

- ▶ Analysis of company risks and establishment of risk levels across the organisation
- ▶ Development and implementation of group risk strategies
- ▶ Development of risk assessment tools and the ongoing risk assessment of customers and vendors in line with KYC and KYS processes
- ▶ Energy markets, currency and interest rate risk exposure and VAR limit setting and real-time monitoring across the group's companies
- ▶ Improvement and documentation of other processes related to risk management
- ▶ Development and improvement of business continuity plans to limit risks
- ▶ Review of any major new contracts or new internal business activities and proposals
- ▶ Close cooperation with other departments within the company (especially insurance, finance, HR and the ESG department) as well as external auditors
- ▶ Regular reporting and ad-hoc analyses for management

Requirements

- ▶ University degree in economics, finance or similar (Master's level)
- ▶ At least 4 years of experience in a similar position
- ▶ Good analytical skills and strong numerical awareness
- ▶ Very strong MS Excel skills
- ▶ Advanced English (verbal and written)
- ▶ Confident communicator and motivated team player
- ▶ Ability to work independently

- ▶ Experience in the renewable energy or construction industries is beneficial
- ▶ Experience working in an international environment is an advantage

Our Offer

- ▶ Full-time position with the possibility of an immediate start
- ▶ Opportunity to work in a fast-growing, international renewable energy company
- ▶ Competitive remuneration, reflecting qualifications and experience
- ▶ Performance-based bonus up to 10% of annual gross salary
- ▶ 5 weeks of holidays per year
- ▶ Laptop and mobile phone with unlimited usage
- ▶ MultiSport plan – contribution to sport, cultural and leisure activities
- ▶ Meal card with contribution from the employer
- ▶ Company shares after 1st year of employment
- ▶ Regular team building events, professional courses and training sessions and other exciting benefits

If you are interested in the position and fulfil the above requirements, please send your CV in English or Czech with a recent photograph to careers@photonenergy.com.
