

Photon Energy Group delivers solar energy and clean water solutions worldwide.

Working in the renewable energy arena for over 14 years, we continue to expand and are adding new business lines, markets and positions to our team.

We are a team of nearly 170 employees worldwide, spread across offices in Prague, Sydney, Warsaw, Budapest, Bucharest, Lodz, Amsterdam, etc. Not only do we believe in the potential of clean energy solutions, but we also live by these principles at work and in our employee community. As a public company, Photon Energy Group is transparent in its regular reports to the stock market and open to new suggestions from both employees and investors.

For more information, see photonenergy.com.

To support our growing business, we need to strengthen our **controlling team** and we are looking to fill the following position:

Junior Controlling Analyst

Key Responsibilities

You will provide support for the following activities:

- ▶ Business **planning**, annual **budgeting** and quarterly **forecasting**
- ▶ The preparation of **monthly consolidated management accounts**, including reports and variance analysis for the management team
- ▶ Creating, managing and improving the **project controlling** of newly built power plants during the development and construction phases
- ▶ Providing analytical and professional **support** for informed management and business decisions
- ▶ The **improvement of current systems** and the design of solutions for improving and streamlining controlling processes

Qualifications and Requirements

- ▶ Economic education (university or high school) or at least one year of experience in accounting or controlling
- ▶ Enthusiasm for working with numbers, logical and analytical thinking
- ▶ Attention to detail
- ▶ Knowledge of how MS Excel functions work and the ability to make improvements
- ▶ The ability to communicate comfortably in English
- ▶ Experience in the renewable energy or construction industry would be a plus but is not necessary

Our Offer

- ▶ An interesting, challenging and meaningful job as part of an international team at a fast-growing global organisation
- ▶ Full-time position with the possibility of an immediate start
- ▶ Work in the interesting sector of renewable energy
- ▶ MultiSport card: discounted access to leisure and sport facilities in the Czech Republic
- ▶ Flexible working hours and occasional home office
- ▶ Five weeks of paid holiday
- ▶ Meal card
- ▶ Various team-building and corporate events
- ▶ Personal and professional development courses, opportunity to learn and grow professionally
- ▶ Modern offices in Karlín (10 minutes from Florenc metro station on foot) with a relaxation area and indoor terrace
- ▶ Participation in our Employee Share Purchase Program after the first year of employment (company shares to a personal brokerage account as a bonus to your monthly salary)

If you are interested in the position and fulfil the above requirements, please send a CV in English or Czech along with a recent photograph to careers@photonenergy.com.
