

Photon Energy Group delivers solar energy and clean water solutions worldwide.

Working in the renewable energy arena for over 14 years, we continue to expand and are adding new business lines, markets and positions to our team.

We are a team of nearly 170 employees worldwide, spread across offices in Prague, Sydney, Warsaw, Budapest, Bucharest, Lodz, Amsterdam, etc. Not only do we believe in the potential of clean energy solutions, but we also live by these principles at work and in our employee community. As a public company, Photon Energy Group is transparent in its regular reports to the stock market and open to new suggestions from both employees and investors.

For more information, see photonenergy.com.

To take care of the economic side of our photovoltaic projects, we are currently hiring for the following role:

Project Financial Controller

Our new colleague will be responsible for providing economic guidance for the **construction of solar power plants** across our markets in the CEE region. We are looking for an analytical person with great organisational skills who would join our **team in Prague**.

Main Responsibilities

- ▶ Management of the economic aspects of the construction of PV projects
- ▶ Management of invoicing and project cashflow
- ▶ Close collaboration with construction project managers
- ▶ Participation in the creation of the internal workflow processes
- ▶ Overseeing the economic elements of (sub-) contracts, in particular contract fulfilment, additional work and overtime
- ▶ Close cooperation and communication with our internal financial department
- ▶ Ad-hoc analyses of both current and potential projects

Key Requirements

- ▶ Fluency in Czech and English
- ▶ At least 3 years of experience in a similar role, ideally in controlling or cost management in construction
- ▶ Strong MS Office skills
- ▶ Economics degree
- ▶ Analytical thinking, organisational skills

Our Offer

- ▶ An interesting, challenging and meaningful job as part of an international team at a fast-growing global organisation
- ▶ Work in the growing sector of renewable energy
- ▶ MultiSport card: discounted access to leisure and sport facilities in the Czech Republic
- ▶ Flexible working hours and occasional home office
- ▶ Five weeks of paid holiday
- ▶ Various team-building and corporate events
- ▶ Personal and professional development courses
- ▶ Opportunity to learn and grow professionally, significantly broadening your skill set in IT
- ▶ Modern offices in Karlín (10 minutes from Florenc metro station on foot) with a relaxation area and indoor terrace
- ▶ Participation in our Employee Share Purchase Program after the first year of employment (company shares to a personal brokerage account as a bonus to your monthly salary)

If you are interested in the position and fulfil the above requirements, please send a CV in English or Czech along with a recent photograph to careers@photonenergy.com.
