

Photon Energy Group delivers solar energy and clean water solutions worldwide.

Working in the renewable energy arena for over 15 years, we continue to expand and are adding new business lines, markets and positions to our team.

We are a team of over 300 employees worldwide, spread across offices in Prague, Sydney, Warsaw, Budapest, Bucharest, Lodz, Amsterdam, etc. Not only do we believe in the potential of clean energy solutions, but we also live by these principles at work and in our employee community. As a public company, Photon Energy Group is transparent in its regular reports to the stock market and open to new suggestions from both employees and investors.
