

Photon Energy Group delivers solar energy and clean water solutions worldwide. Working in the renewable energy arena for over 15 years, we continue to expand and are adding new business lines, markets and positions to our team.

We are a team of over 300 employees worldwide, spread across offices in Prague, Sydney, Warsaw, Budapest, Bucharest, Lodz, Amsterdam, etc. Not only do we believe in the potential of clean energy solutions, but we also live by these principles at work and in our employee community. As a public company, Photon Energy Group is transparent in its regular reports to the stock market and open to new suggestions from both employees and investors.

To strengthen our team, we're looking to fill the following position based in our Lodz office:

Implementation Engineer

The **Implementation Engineer** will act both as an engineer and field technician, responsible for hardware installation as well as software configuration and first-line problem solving.

Responsibilities

- ▶ Implementation of monitoring on sites
- ▶ Testing of new HW/SW systems
- ▶ Overview of PLC programming and maintenance
- ▶ Coordination and cooperation with Poland technical managers regarding technical matters
- ▶ Communication with suppliers and customers
- ▶ Consulting on technical solutions
- ▶ Creation and management of technical documentation
- ▶ Managing the preparation of data and documentation for pricing offers
- ▶ Responsibility for HW inventory
- ▶ Further integration and control of standard processes
- ▶ Management of technical support for the control room and service technicians
- ▶ Prioritisation of tasks for the implementation team

Requirements

- ▶ Secondary-level education in the field of electrical engineering or similar
- ▶ Experience with PLC and/or SCADA programming
- ▶ Category B driving licence
- ▶ Knowledge of communication networks
- ▶ Fluent Polish (C1)

- ▶ English at a communicative Level (B2)
- ▶ Good knowledge of MS Office
- ▶ Ability to multitask and organise work priorities
- ▶ Willingness and ability to learn new things, including processes
- ▶ An independent, diligent and responsible approach to work

Our Offer

- ▶ Full-time position with the possibility of an immediate start
- ▶ One-year contract with the possibility of extension
- ▶ An interesting and meaningful job as part of an international team at a fast-growing global organisation
- ▶ Competitive remuneration, reflecting qualifications and experience
- ▶ Company car, for both business and personal use
- ▶ Opportunities for personal and professional growth
- ▶ Laptop and mobile phone
- ▶ Regular team building events, professional courses and trainings and other exciting benefits
- ▶ Medical package
- ▶ Modern office in the centre of Lodz

If you are interested in the position and fulfil the above requirements, we would love to hear from you. Please send a CV along with a recent photograph to careers@photonenergy.com.
