

**Photon Energy Group** delivers solar energy and clean water solutions worldwide. Working in the renewable energy arena for 15 years, we continue to expand and are adding new business lines, markets and positions to our team.

We are a team of over 300 employees worldwide, spread across offices in Prague, Sydney, Warsaw, Budapest, Bucharest, Lodz, Amsterdam, etc. Not only do we believe in the potential of clean energy solutions, but we also live by these principles at work and in our employee community. As a public company, Photon Energy Group is transparent in its regular reports to the stock market and open to new suggestions from both employees and investors.

For more information, see [photonenergy.com](http://photonenergy.com).

To strengthen our team in **Bucharest**, we are looking to fill the following position:

## Corporate Lawyer

The successful candidate will join a dedicated part of the legal team that is responsible for responding to high priority, complex and often time-sensitive challenges, and will participate in supporting Photon Energy Group in Romania, providing legal support to Romanian project acquisition and project development activities.

Being part of the Photon Energy Group's core legal team also means being responsible for building our processes and solutions to make the team more efficient and scalable at a global level to ensure we grow and adapt at the same pace as the business.

### Responsibilities

- ▶ Providing advice on a wide range of legal matters affecting business operations in all of Photon Energy Group's key business segments: PV project development, construction, operations and maintenance, and energy trading
- ▶ Supporting a variety of corporate, commercial, financial and M&A transactions and negotiating associated transaction documentation
- ▶ Preparing, reviewing and negotiating contracts
- ▶ Reviewing projects and business opportunities with regards to contractual and legal risks, providing full-scale business support and advice
- ▶ Proactively supporting the development and management of PV projects
- ▶ Managing external lawyers and other advisers to ensure business objectives are met efficiently and comprehensively
- ▶ Overseeing transactions and taking full ownership of projects

### Qualifications and Experience

#### Essential:

- ▶ A master's degree in law from a recognised university in the Romania

- ▶ Minimum of 5 years of post-qualification experience in private practice and/or in-house at a corporate legal/contracts department, or at a law firm handling corporate law/contract matters
- ▶ Fluent in Romanian and English
- ▶ Ability to work under pressure, manage changing tasks, prioritise and work independently under general instructions on a variety of special tasks
- ▶ In-depth knowledge of and experience with negotiating and reviewing contracts
- ▶ Enthusiastic about renewable energy
- ▶ Proficiency in Excel, Word and PowerPoint

**Desirable:**

- ▶ Experience in the renewable energy sector is highly beneficial; particularly project development, construction, operations and maintenance and/or energy trading
- ▶ Experience in project finance and refinancing, M&A transactions, due diligence for PPA, O&M and EPC contracts

**Our Offer**

- ▶ Full-time, ongoing employment or on a B2B basis
- ▶ An interesting job at a fast-growing global organisation in the promising field of renewable energy
- ▶ Remuneration according to experience and skills
- ▶ Personal and professional development courses
- ▶ 21 days of paid holiday
- ▶ One CSR day for charitable activity
- ▶ Laptop and mobile phone
- ▶ Private healthcare package

If you are interested in the position and fulfil the above requirements, we would love to hear from you. Please send a CV along with a recent photograph to [careers@photonenergy.com](mailto:careers@photonenergy.com).
