To strengthen our team, we're looking to fill the following position based in **Warsaw, Poland**:

## **Project Development Specialist**

### **Responsibilities**

- ▶ Locating potential plots for PV projects, performing assessments and analyses on technical, economical and timing criteria
- ▶ Helping to develop strategy and organising processes for locating, analysing and assessing plots
- ▶ Supporting the field team in securing land and reporting results
- ▶ Supporting project managers in project analysis, applying for administrative decisions and permits
- ▶ Checking the local conditions of projects which are under consideration considered by Photon Energy or our clients
- ▶ Engaging in regular communication with local authorities and landowners
- ▶ Analysing permits once they are received

### **Requirements**

- ▶ Bachelor's or engineering degree in one of the following fields: geology, urban planning, electrical engineering, civil construction, environmental protection or another technical field
- ▶ Knowledge of GIS and/or CAD software
- ▶ Fluent Polish (C1), communicative English (A2/B1)
- ▶ Interest in learning and ongoing development, and enthusiasm for problem solving
- ▶ The ability to take a thorough, responsible approach to tasks and to work well both independently and as part of a team

## Our Offer

- ▶ Work in a fast-growing, international company
- ▶ Helping to implement green investments that will change the face of the country
- ▶ Opportunities for development and advancement within the company
- ▶ Opportunity to learn from experienced team members and to participate in the creation of plans and strategies
- ▶ Permanent employment based on an employment contract
- ▶ Laptop and mobile phone
- ▶ Medical package
- ▶ Language courses and professional development training
- ▶ Possibility of partial remote work after the implementation period
- ▶ Flexible working hours, starting between 8:00 and 10:00 a.m,

If you are interested in the position and fulfil the above requirements, we would love to hear from you. Please send a CV along with a recent photograph to [careers@photonenergy.com](mailto:careers@photonenergy.com).
