To strengthen our finance team, we're looking to fill the following position based in our Prague office:

Financial Controller

Key Responsibilities

- ▶ Support management in delivery of regular, timely, and accurate financial information and analysis
- ▶ Support in preparation of monthly consolidated management accounts, reports and variance analysis for management
- ▶ Support management in budgeting, forecasting and business planning
- ▶ Support on ad-hoc analysis, project controlling and customer profitability of all business lines
- ▶ In cooperation with management, provide overall support to all business lines in performance management and the forecasting of income, operational and indirect costs
- ▶ Actively participate in the improvement and development of internal systems, processes and controls
- ▶ Work closely with heads of department and colleagues from other departments on a daily basis

Requirements

- ▶ Education in economics or accounting (university or high school)
- ▶ Ideally two years of experience in accounting or controlling; experience in IFRS highly beneficial
- ▶ Good analytical skills and strong numerical awareness
- ▶ Very strong MS Excel skills
- ▶ Advanced English (verbal and written)
- ▶ Confident communicator and motivated team player
- ▶ Ability to work independently
- ▶ Experience in the renewable energy or construction sectors is a plus

Our Offer

- ▶ Full-time position with the possibility to start immediately
- ▶ Opportunity to work in a fast-growing, international renewable energy company
- ▶ Competitive remuneration, reflecting qualifications and experience
- ▶ 5 weeks of holidays per year
- ▶ Laptop and mobile phone
- ▶ MultiSport plan – contribution to sport, cultural and leisure activities
- ▶ Company shares, team building events, professional courses and training, as well as other exciting benefits

If you are interested in the position and fulfil the above requirements, please send your CV in English or Czech with a recent photograph to careers@photonenergy.com.
