

Photon Energy Group delivers solar energy and clean water solutions around the world. Its solar power services are provided by Photon Energy; since its foundation in 2008, Photon Energy has built and commissioned solar power plants with a combined capacity of over 100 MWp and has power plants with a combined capacity of 91.9 MWp in its proprietary portfolio. It is currently developing projects with a combined capacity of over 790 MWp in Australia, Hungary, Poland and Romania and provides operations and maintenance services for over 300 MWp worldwide. The group's second major business line, Photon Water, provides clean water solutions including treatment and remediation services, as well as the development and management of wells and other water resources. Photon Energy N.V., the holding company for Photon Energy Group, is listed on the Warsaw, Prague and Frankfurt Stock Exchanges. The company is headquartered in Amsterdam, with offices in Australia, South America and across Europe. For more information, please visit [www.photonenergy.com](http://www.photonenergy.com).

To strengthen our team, we're looking to fill the following position based in our Prague office:

## Junior Graphic Designer

We're looking for a creative graphic designer to join our growing team at the company's Prague office, located in the charming neighbourhood of Karlín.

Reporting to the head of marketing and corporate communications and working collaboratively with the entire marketing and communications team, the ideal candidate will help us shape the Photon Energy Group brand, promote company services and products and drive prospects to conversions through a variety of marketing channels.

We're looking for a team player, someone who has a healthy mix of creativity, good organisational and project management skills, and the ability to think logically and find creative solutions to challenges they face.

To succeed in this role, the ideal candidate should have original ideas and a keen eye for details, acquire an in-depth knowledge of Photon Energy Group products and services, as well as our target audiences.

In conjunction with our creative team, the candidate will thrive on designing, creating and delivering original designs according to specifications, being open to learn new things and keeping abreast of industry trends.

### Key Responsibilities

- ▶ Understanding project specifications and ideas
- ▶ Updating marketing assets in line with the PR/IR (investor relations) communications
- ▶ Customising templates for the Company's business units
- ▶ Adapting documents in line with templates and the Company's brand book
- ▶ Creating marketing assets (factsheets, product sheets, brochures, and other interfaces)
- ▶ Keeping up-to-date with popular culture and trends within the industry
- ▶ Using feedback from the senior graphic designer to improve

## Qualifications and Experience

- ▶ Bachelor's degree in graphic design or a related field
- ▶ 2 – 3 years of experience in marketing, advertising, public relations, community outreach and/or event planning
- ▶ Exceptional communication skills, both written and oral
- ▶ Proficiency in MS Office and experience with design software and graphics editing software (Adobe Suite: InDesign, Illustrator, Photoshop)
- ▶ Advanced typography and DTP skills
- ▶ Experience with InVision would be beneficial
- ▶ Strong commitment to professionalism and upholding Photon Energy Group's core values
- ▶ Comfortable working in a fast-paced, deadline-driven environment balancing several projects at once, with a strong sense of team and collaborative spirit

## Our Offer

- ▶ Opportunity to work in a growing international renewable energy company
- ▶ Excellent prospects for professional development
- ▶ Remuneration reflecting the candidate's qualifications and experience
- ▶ Young and friendly team
- ▶ Modern office in Karlín, very close to city center with terraces and a relaxation area
- ▶ Company shares in your own brokerage account
- ▶ MultiSport plan – contribution to sport, culture and pastime activities
- ▶ Company and team-building events
- ▶ Laptop and mobile phone

If you are interested in the position and fulfil the above requirements, please send your updated CV in English with a recent photograph to [careers@photonenergy.com](mailto:careers@photonenergy.com).
