

Photon Energy Group delivers solar energy and clean water solutions around the world. Its solar power services are provided by Photon Energy; since its foundation in 2008, Photon Energy has built and commissioned solar power plants with a combined capacity of over 100 MWp and has power plants with a combined capacity of 74.7 MWp in its proprietary portfolio. It is currently developing projects with a combined capacity of over 420 MWp in Australia, Hungary, Poland and Romania and provides operations and maintenance services for over 300 MWp worldwide, including 78 MWp in Hungary. Photon Energy N.V., the holding company for Photon Energy Group, is listed on the Warsaw, Prague and Frankfurt Stock Exchanges. The company is headquartered in Amsterdam, with offices in Australia, South America and across Europe. For more information, please visit photonenergy.com.

To strengthen our team, we are looking to fill the following position, to be based in Warsaw or Łódź, Poland:

Sales Specialist, O&M

Key Responsibilities

- ▶ Sell operations & maintenance (O&M) services to owners, investors and developers of PV (photovoltaic) installations
- ▶ Participate in the development and verification of the product and price offer
- ▶ Monitor the market for new and existing PV installations
- ▶ Provide support in the development of sales and development strategies for different market segments
- ▶ Negotiate commercial terms
- ▶ Streamline existing sales processes
- ▶ Work within Photon Energy's international sales structures
- ▶ Represent Photon Energy at industry events (fairs, exhibitions, conferences, etc.)

Qualifications and Experience

- ▶ 3 – 5 years of experience in selling service or industrial solutions
- ▶ Practical knowledge of the renewable energy industry
- ▶ Proven understanding of business customers
- ▶ Fluent Polish
- ▶ Good command of English
- ▶ Higher technical education (energy, installations, construction, etc.)
- ▶ Experience working within international companies will be an advantage
- ▶ Confidence and an outgoing nature, with strong presentation and sales skills
- ▶ Eagerness to learn and grow professionally
- ▶ Adaptability and willingness to travel as required

What We Offer

- ▶ Experience in the dynamically developing sector of photovoltaics, energy storage and modern energy solutions, within a stable international company listed on the Warsaw Stock Exchange
- ▶ The opportunity to participate in the shaping of local company structures, and participate in the establishment of new company practices
- ▶ Training both in Poland and abroad and participation in international projects, fairs and expos
- ▶ Long-term, experience building a sales team
- ▶ The opportunity to grow both professionally and personally, with potential to advance with the local or international company structure

If you are interested in the position and fulfil the above requirements, please apply to careers@photonenergy.com.
