

ESPI report

Company: Photon Energy N.V.

Number: 2/2021

Date: 2021-01-11

Market types: Warsaw Stock Exchange and Prague Stock Exchange

Title: Photon Energy shares are listed on the Quotation Board of Frankfurt Stock Exchange.

Detailed data:

The management board of Photon Energy N.V. (the 'Group') informs that it has come to its attention that the Company's shares had been admitted to trading on the unregulated market (Quotation Board) of the Frankfurt Stock Exchange on 11 January 2021 under the identification number 'A1T9KW' and ISIN code NL0010391108.

The listing does not involve any issuance of new shares and has been initiated by a submission by Baader Bank, a leading brokerage firm active on the Frankfurt Stock Exchange.

The listing on the Frankfurt Stock Exchange will enable the Company's investors from the Eurozone to trade the Company's shares without a currency risk. The admission to listing and trading of the Company's shares on the Quotation Board of FSX follows the regulated market listings of its ordinary shares at the Warsaw Stock Exchange and Prague Stock Exchange on 5 January 2021.

Legal basis: Art. 17 ust. 1 MAR – informacje poufne.
