To strengthen our team, we're looking to fill the following position based in **Warsaw, Poland**:

Project Development Specialist

Responsibilities

- ▶ Locating, analysing and assessing plots to be secured based on technical, economical and time criteria
- ▶ Taking part in creating the strategy and organising the processes for site selection
- ▶ Supporting the field team in securing land and reporting about the results
- ▶ Creating databases, maps and tools to present completed projects and development directions
- ▶ Supporting project managers in project analysis, applying for administrative decisions and permits
- ▶ Communication with local authorities and landowners
- ▶ Analysing permits
- ▶ Analysing legal requirements affecting site evaluation and feasibility of investments
- ▶ Working with branch-specific software after training and implementation

Requirements

- ▶ Bachelor's or engineering degree in one of the following fields: geology, urban planning, electrical engineering, civil construction, environmental protection or another technical field
- ▶ Minimum 2 years of experience in preparing investments
- ▶ Knowledge of GIS and/or CAD software
- ▶ Fluent Polish (C1), communicative English (B1/B2)
- ▶ Interest in learning and ongoing development, and enthusiasm for problem solving
- ▶ The ability to take a thorough, responsible approach to tasks and to work well both independently and as part of a team

Our Offer

- ▶ Work in a fast-growing, international company
- ▶ Helping to implement green investments that will change the face of the country
- ▶ Opportunities for development and advancement within the company
- ▶ Opportunity to learn from experienced team members and to participate in the creation of plans and strategies
- ▶ Permanent employment based on an employment contract
- ▶ Laptop and mobile phone
- ▶ Medical package
- ▶ Language courses and professional development training
- ▶ Possibility of partial remote work after the implementation period
- ▶ Flexible working hours, starting between 8:00 and 10:00 a.m,

If you are interested in the position and fulfil the above requirements, we would love to hear from you. Please send a CV along with a recent photograph to careers@photonenergy.com.
