

## ESPI report

Company: Photon Energy N.V.

Number: 31/2023

Date: 2023-05-10

Market types: Warsaw Stock Exchange and Prague Stock Exchange regulated markets

**Title:** Photon Energy Group Receives Renewal of 'Very Good' Rating from ESG Rating Agency imug rating

### Detailed data:

The Management Board of Photon Energy Group announces that it has received a 'very good' [sustainability rating](#) with 77 out of 100 points from imug rating. An independent institution, imug rating assessed the Company's environmental, social and corporate governance (ESG) policies and practices and renewed its rating of 'very good' two years after its initial evaluation with 75 out of 100 points in May 2021. The rating was attributed according to the following scale: *weak, moderate, good, very good, excellent*.

imug rating is one of the leading sustainability rating agencies in Germany and a specialist in ESG research. imug rating has been active in the fields of sustainable finance and socially responsible investment for over 25 years. Its references include major asset managers and alternative banks as well as institutional investors and NGOs.

In April 2023, Photon Energy Group released its third annual sustainability report, formally expressing the Company's commitment to delivering sustainable outcomes.
